

RADIOGRAPHERS

Region Värmland, Sweden

ABOUT THE REGION

Värmland Region is a county in west-central Sweden. It borders the Swedish counties of Dalarna, Örebro, and Västra Götaland, as well as the Norwegian counties of Viken and Innlandet to the west.

Region Värmland strengthens public health and develops healthcare to contribute to a world-class quality of life for Värmland's 290,000 inhabitants. They run health centers throughout Värmland and have three emergency hospitals: Arvika, Karlstad, and Torsby.

Main responsibilities and expectations

• Region Värmland, Sweden, is looking for 6-8 X-ray nurses to work in Arvika, Karlstad and Torsby hospitals.

What's expected of you

Facts and information about Sweden -> [Click here](#)

Värmland is an energetic, creative, welcoming, and open place where you can live a better life. Here you work and live surrounded by wild nature with roaring deep forests, calm lakes, lively rivers, and beautiful farms. But also an open and welcoming environment, an international business community, a strong storytelling tradition, inspiring culture, sports, and outdoor life, and an innovative university.

X-ray clinics are located at the hospitals in Karlstad, Arvika and Torsby and at Region Värmland's health centres in Säffle and Kristinehamn. They carry out examinations and treatments using X-rays, CT, ultrasound and MRI. The staff consists of radiologists, X-ray nurses, nurses' assistants and care administrators.

Karlstad Central Hospital functions both as a county hospital for the whole of Värmland and as a local hospital.

Arvika has medicine, X-ray, rehabilitation, laboratory with blood supply, surgery and intensive care.

Torsby Hospital is the county's northernmost acute hospital with round-the-clock operations. The emergency and outpatient clinics for all specialties are housed in fresh premises.
